RE: Request for Section 106 consultation, Pauma Casino Hotel Project, San Diego County, California

Dear Mr. Mehaffy:

Thank you for your letter dated 20 July 2007, regarding the above referenced undertaking. Your letter indicates your request for consultation, in order to comply with Section 106 of the National Historic Preservation Act of 1966, as amended, and its implementing regulations at 36 CFR Part 800. Your request is prompted by a proposal by the Pauma Band of Mission Indians to replace its temporary casino with a larger permanent casino and hotel.

Your letter describes the proposed project, identifies an Area of Potential Effects (APE), and describes efforts to identify historic properties and initiate Native American consultation. Your request is supported by the submittal of the document entitled *Cultural Resources Survey Report for the Pauma Foxwood Casino Project, Pauma Indian Reservation, California* (Patrick McGinnis and Michael Baksh, June 2007).

Based on my review of the enclosed documentation, your effort to identify historic properties appears adequate and I do not object to your finding of No Historic Properties Affected for the proposed undertaking. Be advised that under certain circumstances, such as unanticipated discovery or a change in project description, the Corps of Engineers may have additional future responsibilities for this undertaking under 36 CFR Part 800. If you have any questions or concerns, please feel free to contact Stephen Bryne at (916) 653-8902, or by e-mail at [sbryne@parks.ca.gov](mailto:sbryne@parks.ca.gov).

Sincerely,
